# Why is relocation currently so difficult?

#### **Problem**

Scattered Information about different states makes it hard to get the overall picture of moving

# Why is relocation currently so difficult?

#### **Problem**

Scattered Information about different states makes it hard to get the overall picture of moving

#### Challenge

Job seekers spend endless hours sifting through information, struggling to piece together a clear plan for their future.

# Why is relocation currently so difficult?

#### **Problem**

Scattered Information about different states makes it hard to get the overall picture of moving

#### Challenge

Job seekers spend endless hours sifting through information, struggling to piece together a clear plan for their future.

#### **Effects**

This process is time-consuming and leads people to feel frustrated and overwhelmed for their move
